![Universität Siegen / UB Universitätsbibliothek Siegen]

Application for a library card

(Students of University of Siegen, use of the Uni Siegen App)

Please **complete the form on PC**, print out and sign it. In order to obtain a library card you have to hand over the form at one of our circulation desks. In addition you need to present a valid identity card or a valid passport together with an official registration of your residence in Germany. It is also necessary to present a current certificate of enrollment or a valid student ID in the app.

First application / Activation of the Uni Siegen App for library use
Enrollment number: _____ -UB
With the activation of this function, a previous library card or an activated USiCard becomes invalid.
